Pigmentation & uneven skin tone

Targets stubborn pigmentation, including melasma, sun spots, and post-inflammatory hyperpigmentation. Reveals a more even, radiant complexion.

R980.00

Recommended:
3 sessions, 2-week intervals

Blemiskin

Oily skin & acne control

Purifies clogged pores, controls oil production, and reduces acne breakouts, leaving skin clearer and balanced.

R980.00

Recommended:
3 sessions, 2-week intervals

Bespoke Mesoesthetic Pro Peel + Mask + LED Light Therapy

Ultimate skin recovery & glow

Boosts any mesoesthetic pro peel with added hydration, calming, and LED therapy for enhanced skin comfort and glow.

R1 750.00

Recommended:
3 sessions, 2-week intervals

MESOESTETIC MD (STEP-UP PEELS)

Retiflash Peel

Brightening & fine line refinement

An advanced anti-aging peel that boosts skin renewal, reduces fine lines, and enhances glow.

R1 375.00

Recommended:
3 sessions, 2-week intervals

Melanostop Tranex MD

Advanced depigmentation & hydration

A step-up peel for stubborn pigmentation with added hydration benefits for a luminous, even-toned skin.

R1 375.00

Recommended:
3 sessions, 2-week intervals

Blemiskin MD

Advanced acne & oil control

Targets persistent breakouts, inflammation, and post-acne scarring with advanced purifying action.

R1 375.00

Recommended:
3 sessions, 2-week intervals

Azelan

Rosacea & redness calming

Specifically designed to calm rosacea-prone, inflamed, or vascular-sensitive skin while strengthening the skin barrier.

R1 375.00

Recommended:
3 sessions, 2-week intervals

Periocular MD (Add-On only)

Eye contour brightening & firming

Medical-grade peel for the periocular area to reduce pigmentation, fine lines, and crepey texture.

R350.00

Recommended:
3 sessions, 2-week intervals

Mesoesthetic MD Peel + Mask + LED Light Therapy

Premium peel experience with deep repair & comfort

Combines a bespoke mesoesthetic peel with mask and LED light therapy to soothe, hydrate, and enhance post-peel radiance.

R1 900.00

Recommended:
3 sessions, 2-week intervals

MICRONEEDLING SOLUTIONS

Depigmentation Solution

Targeted pigmentation reduction

Combines microneedling with depigmenting actives to lighten melasma, sun spots, and post-inflammatory pigmentation.

R 1650.00

Recommended:
3-4 sessions, 2-3 week intervals

Mesopeptide Solution

Firming & skin tightening

Addresses skin laxity, fine lines, and dullness by stimulating collagen and boosting elasticity.

R 1650.00

Recommended:
3-4 sessions, 2-3 week intervals

Skinmark Solution

Scarring & texture refinement

Targets acne scarring, stretch marks, and uneven skin texture to promote smoother, healthier-looking skin.

R 1650.00

Recommended:
3-4 sessions, 2-3 week intervals

Texture smoothing & scar refinement

Pairs Jessner Pro Peel + Microneedling with C-Prof Skinmark Solution to visibly reduce acne scars and refine skin texture.

R1 950.00

Recommended:
3 sessions, 3 week intervals

SIGNATURE GLOW BY LIFE AESTHETICS

Our Signature Radiance & Renewal Treatment

An exclusive experience combining Mesoeclat peel and Ampoule therapy, designed to restore luminosity, refine texture, and soften fine lines. Available in two luxurious options:

Signature Glow with Facial Massage

Radiance, hydration & skin rejuvenation

A relaxing experience blending the Mesoeclat peel with a nutrient-rich ampoule, massaged into the skin to awaken radiance, hydrate deeply, and refine texture.

R1 650.00

Recommended:
3 sessions, 2-3 week intervals

Signature Glow with Microneedling

Advanced glow & collagen boost infusion

For deeper skin rejuvenation, this treatment combines Mesoeclat peel with microneedling to amplify absorption of the ampoule, targeting fine lines, dullness, and loss of firmness resulting in a glass-skin finish.

R2 250.00

Recommended:
3 sessions, 3-4 week intervals

DEPIGMENTATION SOLUTIONS

Cosmelan

The gold standard in professional pigmentation correction.

Dermamelan Intimate

Specialized depigmentation for intimate areas.

Skin consultation required
for suitability and pricing.

LAMELLE SKIN TREATMENTS

Lamelle Lactifirm 90/10

Gentle Renewal & Deep Hydration

A professionally formulated lactic acid peel that gently accelerates cell turnover and deeply hydrates the skin. This treatment refines texture, brightens tone, and restores a plump, radiant glow with minimal downtime.

R950.00

Lamelle Lactifirm 90/10 with Microneedling

A synergistic treatment combining the firming and hydrating benefits of Lamelle's LactiFirm 90/10 Peel with microneedling to enhance absorption and stimulate collagen production. This combination helps refine texture, improve tone, and boost skin firmness, leaving the complexion smoother, rejuvenated and radiant.

R1950.00

Synergy TCA Peel

An advanced resurfacing peel that refines skin tone, smooths texture, & addresses early signs of ageing, revealing a luminous, healthy-looking complexion with lasting results.

R1070.00

Beta Peel

Radiance refining

A salicylic acid peel designed to target congestion, excess oil, acne breakouts, and uneven skin texture, reduces inflammation and improves hyperpigmentation or post-inflammatory pigmentation while promoting a smoother and brighter complexion.

R1050.00

EXOSOMES

Xomage Exosomes + Microneedling

An advanced skin rejuvenation treatment combining Xomage exosomes with microneedling to promote collagen production, improve texture, and enhance skin clarity. Supports natural skin repair for a smoother, brighter, and more revitalised complexion.

R4500.00

Recommended:
3 sessions, 2-3 week intervals

Optiphi DermaSoothe Cellulose Mask Add-On

Replenishing & comforting sheet mask.

R250.00

Primacure E-50 + Microneedling

Salmon DNA

A professional regenerative treatment combining microneedling with Primacure E-50 exosomes, sourced from salmon cells, to support cellular communication and skin renewal. This dual approach helps enhance hydration, refine texture, improve tone and support post-treatment recovery, revealing a smoother, more radiant and rejuvenated complexion.

R4500.00

Recommended:
3 sessions, 2-3 week intervals

Primacure E-50 Popping Mask Add-On

(Post Procedure Boost)

A professional post-procedure bio-cellulose face mask infused with salmon-derived exosomes, peptides and hydrating complexes to help soothe redness, calm irritation and support hydration and recovery after treatments such as microneedling, or RF. Designed to lock in moisture, reinforce the skin barrier and enhance radiance for a refreshed, balanced complexion.

R495.00

OPTIPHI SKIN TREATMENTS

Optiphi Replenish & Repair Skin Treatment

A deeply restorative skin treatment that provides deep cleansing and double exfoliation while repairing stressed or damaged skin.

R950.00

Recommended:
3 sessions, 2-3 week intervals

Optiphi 30|30 Skin Peel

Skin redness & sensitivity, sun & photo damage, pigmentation & uneven skin tone, dull lacklustre skin, loss of skin firmness & elasticity

Boosts collagen, brightens the complexion, and protects against future damage, while calming sensitive skin and reducing inflammation. Ideal for dull, uneven, or sun-exposed skin.

R900.00

Recommended:
3 sessions, 2-3 week intervals

Optiphi 50|30 Skin Peel

Sun damage, hyperpigmented skin, deep lines & wrinkles, Course, leather-like textured skin

Boosts collagen production, reinforcing the skin's protective barrier and minimizing skin sensitivity and redness, commonly resulting from sun exposure.

R950.00

Recommended:
3 sessions, 2-3 week intervals

Optiphi Delta Retinol Boost with Microneedling

Mild to severe photo-ageing, acne-prone skin & acne scarring, hyperpigmentation & age spots.

The Delta 3% Quadracton Retinol Peel System is an advanced, physician-strength peel with quadruple (4 times) the potency due to the multidimensional efficacy of the powerful actives.

R1 950.00

Recommended:
3 sessions, 3-4 week intervals

Radio-frequency with microneedling

This advanced treatment combines microneedling with radiofrequency (RF) energy to deeply rejuvenate the skin. It helps improve texture, reduce fine lines and wrinkles, tighten skin, and target concerns like enlarged pores, scars, and uneven tone. The RF energy enhances collagen production for smoother, firmer, and more youthful-looking skin.

Face	R2 950.00
Face Package (3 sessions)	R7 500.00
Face & Neck	R3 500.00
Face, Neck & Decollete	R4 560.00
Hyperhidrosis (3 sessions)	R7 500.00

Treatment Add-Ons:**Medical Grade LED light Therapy (20min)**

Advanced skin rejuvenation, medical-grade LED light therapy. This non-invasive treatment uses clinically proven wavelengths to target concerns such as acne, aging, inflammation, and pigmentation, stimulating natural healing and delivering visible results with no downtime

R450.00

Dermaplaning (face)

A non-invasive treatment that uses a sterile surgical blade to gently exfoliate the skin by removing dead skin cells and fine vellus hair. It leaves the skin smoother, brighter, and helps improve the absorption of skincare products.
